I have sighted the above building consent and read the attached conditions of consent together with the emergency lighting design contained therein, and confirm that:

- The emergency lighting has been installed in accordance with the approved emergency lighting design.
- The emergency lighting system has been commissioned and tested in accordance with AS 2293.1 and AS 2293.3.
- All work has been carried out in accordance with the building consent and complies with the Building Code F6 Visibility in Escape Routes.

I have attached copies of the following documents:

- Duration test results
- Illuminance measurements
- As-built plan showing location of all emergency lights (mandatory).

I understand that New Plymouth District Council may rely upon this producer statement for the purpose of establishing compliance with the above building consent.
