

## **P12-003 Incentives to Provide Stock Underpass**

*Approved by the Council on 14 March 2012.*

### **Policy Purpose**

To clarify the incentives the Council will provide to promote the development of stock underpasses.

### **Policy Statement**

As an incentive to provide stock underpasses the Council will meet the costs of:

- preparing sites plan and specifications.
- Reinstatement of the carriageway surface (excluding basecourse but including sealing).
- Granting the lease and registering a Memorandum of Encumbrance against the applicant's titles.
- Inspection of the underpass structure and side protection as part of its regime of bridge, large culverts and stock underpasses every two years (general) and every six years (structural).
- Maintaining the road and sight/guard rails across the underpass.

This policy is to be read in conjunction with the following Council provisions:

- New Plymouth District Council Bylaw 2008, Part 10 Stock Control.
- General and Technical Conditions for Stock Underpasses which covers the application, consent and installation processes for stock underpasses.

### **Policy Contact**

The policy holder is the Roading Assets Team within the Community Assets Group.

### **Policy Review**

This policy shall be reviewed three yearly from the date the policy is adopted.
