Explanations in this guide are intended to assist you to complete the application for club licence or renewal of club licence - numbers in the form relate to the explanatory notes in this guide.

Background

A licence under the Sale and Supply of Alcohol Act 2012 is required when you intend to sell or supply alcohol to the public. The Act aims to:

- Promote the safe and responsible sale, supply and consumption of alcohol.
- Minimise the harm caused by excessive or inappropriate consumption of alcohol.

You will need to submit your licence application to the New Plymouth District Licensing Committee (DLC) if your premise is in the New Plymouth district.

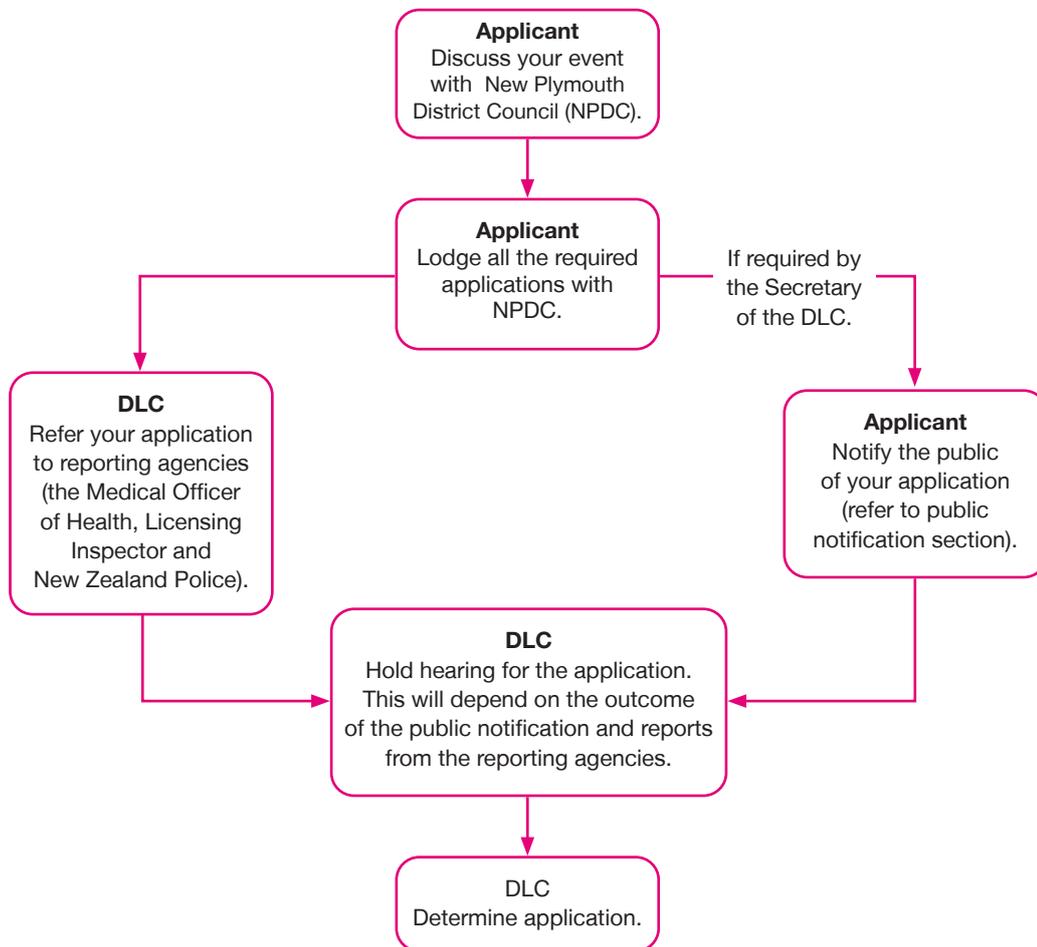

What is a club licence?

A club licence authorises the holder of the licence to sell or supply alcohol to the following:

- Members of the club
- Any person who is a guest of, and is accompanied by a member of the club
- Any member of any other club with which the holder of the licence has an arrangement for reciprocal visiting rights for members of the club

for consumption on the premise, but the alcohol cannot be removed from the site.

Process

Processing times

Depending on when you advertise your application, whether there are any submissions from the public and the time taken to receive reports from the agencies, the process can take up to 12 weeks.

The DLC will notify you, the reporting agencies and the objectors of the decision. After the decision, all parties will have 10 working days to appeal. If there is an appeal, the issue of the licence will depend on its outcome.

Indications and guidelines issued by NPDC are provided with the intention of helping people to understand the legislation. They are however offered on a 'no liability' basis and in any particular case those concerned should consult their own legal adviser.

## **TO: THE APPLICANT**

The Police are just one of the agencies tasked with promoting the principals of the Sale and Supply of Alcohol Act. It is well known that alcohol is a key aggravator in crime and in particular family violence, street disorder, anti-social behaviour and the road toll. Strategies have been put in place by the Police to reduce the numbers of such incidents and crimes occurring.

Police enquiries will be made to establish whether you are a fit and proper person to be granted the licence or certificate applied for, and whether you are considered capable of exercising proper control over the premises or the sale and supply of alcohol to patrons.

The Police may object to the granting of the licence or certificate if you have previous court convictions or if enquiries reveal that you have not operated the licence or certificate in such a way so as to contribute to the reduction of alcohol abuse in accordance with the objects of the Act. Previous convictions need not stop you getting an 'On' or 'Off' Licence or a Manager's Certificate, but they may be a factor in any decision made to object to the granting of your application.

Please complete the attached questionnaire to enable the Police to prepare a report to the District Licensing Committee in accordance with the provisions of the Act. Police Officers may visit your premises or check with you on the validity of answers given in the questionnaire.

If you have any queries please contact New Plymouth Police on 06-759 5500.

Explanations in this guide are intended to assist you to complete the application cover page form - numbers on the form relate to the explanatory notes in this guide.

### How to use the application cover page form

New Plymouth District Council (NPDC) administers a number of Acts on behalf of central government. Each Act sets out specific requirements on what type of activities or projects need to be approved under that legislation.

This application form is designed to offer you an integrated way to apply for multiple approvals or NPDC services and achieve compliance for your project.

You only need to submit one application cover page form if you are applying for multiple approvals at one time.

### Notes to assist completion of your application cover page form

#### 1. Property details

##### 1a. Site address

- Write the physical address where the project will take place.

If the building has a name, please include it in the site address. PO Box addresses are not acceptable.

Example:

- Unit 4, 3rd Floor, XYZ Building, 123 Devon Street West, New Plymouth.
- PO Box 456, New Plymouth.
- 3rd Floor, XYZ Building, 123 Devon Street.

For properties that are undergoing subdivision, use the address indicated on the Land Transfer Plan with section 223 certificate endorsed.

##### 1b. Current, lawfully established use

- Write the lawfully established use of the building.

If you do not know this, please describe to the best of your knowledge. For example: single residential dwelling, shop, takeaway bar, warehouse.

##### 1c. Legal description

Every property has a unique legal description assigned to it. This information is given on your rates instalments invoice or record of title.

- Write the legal description of the property.

Example:

- Lot 1 DP 2345
- S PT SEC 678 DP 901

##### 1d. Rapid Number

- If the project is in a rural area and you have purchased a rapid number, write this number in the space provided.

#### DISCLAIMER: BUILDING CONSENT APPLICATIONS ACCEPTED FOR LAND UNDERGOING SUBDIVISION

The owner/applicant accepts that the issue of a building consent as requested in an application does not provide any assurance or representation by NPDC that legal title to the land is now or will ever become available and the owner/applicant should take legal advice before commencing construction work.

#### 2. Property owner details

- Write the name and contact details for all owners. Include any company or trust name.
- If the property is owned by a company, partnership or trust, write the name of the person representing the organisation.

#### WATER BILLING

If you are applying for a water connection and it needs to be metered, water billing will be sent to this address.

Indications and guidelines issued by NPDC are provided with the intention of helping people to understand the legislation. They are however offered on a 'no liability' basis and in any particular case those concerned should consult their own legal adviser.

### 3. Payer details

- Indicate who will receive the invoice.

### 4. Description of project

#### 4a. Detailed description of the development/project

- Describe the nature and scope of all parts of the project.

For example:

- New one-storey single residential dwelling.
- Three stand-alone two-storey dwellings, each with their own vehicle access and attached carport.
- Replace bath with shower.
- Install woodfire to replace existing open fireplace.
- Repile existing building and improve drainage.
- Excavating soil for a farm track within 50m of a sand dune.
- Boundary adjustment to increase the size of Lot 2 DP 3456 and decrease the size of Lot 3 DP 3456.

- New café, with the intention to use a portion of the footpath and the space above it for additional seating capacity.

#### 4b. Will business activities take place when building is completed?

- Tick yes if the building is to be used for business activities after it is completed, e.g. operating a business from home, take-away shop, production of chemical products, factory, orchard and shop, etc.
- Tick no if the building is to be used purely for residential purposes.

### 5. NPDC applications for this project

- Tick to indicate all applications that the application cover page form relates to.

Using this form for multiple applications saves you writing the same information more than once.

- Where an application has already been lodged for this project, write the application, licence or consent number.

This will help NPDC to assist you in managing your whole project.
