

Vision

Sustainable Lifestyle Capital

Mission

To provide our people with an innovative and resilient district that restores mauri, protects our environment and supports a successful economic transition, while providing quality infrastructure and leadership through operational excellence

Partnerships

Strengthening a treaty based partnership with tangata whenua and building partnerships with not-for-profit, private enterprise, and government to improve outcomes for all

Delivery

Understanding and balancing our people's needs and wants through prudent delivery of quality infrastructure and services

Community

Achieving wellbeing through a safe, creative, active and connected community while embracing Te Ao Māori

Sustainability

Nurturing our environment, mitigating our impact and adapting to climate change

Prosperity

Growing a resilient, equitable and sustainable economy where people want to work, live, learn, play and invest across our district

Goals
