

'HOW TO' GUIDE FOR CONTRACTORS

New Plymouth District Council (NPDC) is committed to providing a healthy and safe environment for our workers and other stakeholders that come into contact with us and our activities.

This user guide contains instructions for using the Pinnacle system to complete H&S prequalification and manage your assigned tasks.

Note: To become 'H&S prequalified' you must have an active supplier account, please ask the person you are supplying services to at the Council for a 'new supplier' pack to complete.

ABOUT THE PINNACLE SYSTEM

You can:

- **Complete Pre-Qualification**

You'll receive notification from NPDC to login to Pinnacle to complete the prequalification online. Follow the guide on the next page to learn how to do this.

- **Complete Contractor Review Meetings Online**

Once you're engaged for work, we conduct regular contractor review meetings. These are managed online via the Pinnacle system. You'll find instructions in this guide which will help you understand how to use this.

LOGGING IN FOR THE FIRST TIME

1. You'll receive email notification to advise that you have a task pending to complete. If you're logging in for the first time you'll see the screens below.

Note: We recommend you use either a **Chrome** or **Edge** browser

2.

ASSIGNED TASKS

During the contractor review process, NPDC may create a task for the contractor to complete. You'll receive a notification email with a link to access this, and the task will show on your dashboard as below:

Once the task is complete, it will no longer show on your dashboard.

COMPLETING PRE-QUALIFICATION

1. You'll receive an email which includes the following message to login to complete pre-qualification. **Note:** We recommend you use either a **Chrome** or **Edge** browser.

Pinnacle, supported by ecoPortal

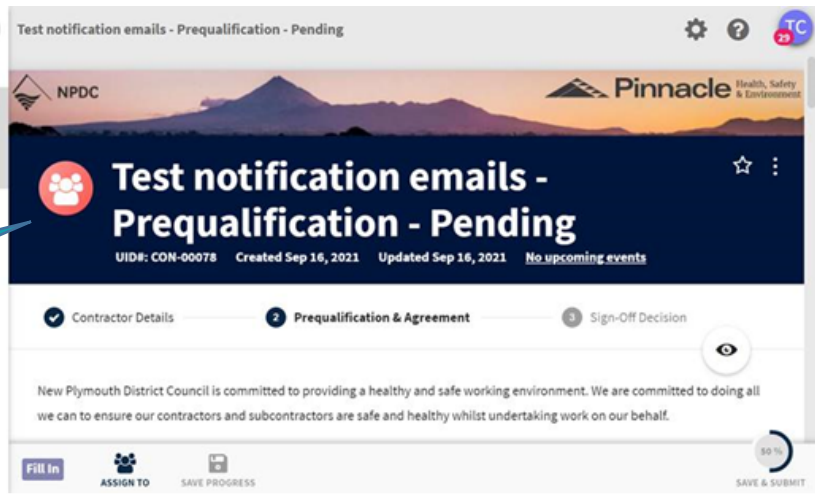

Your To Do List

CON-00078 Fill in the **Prequalification & Agreement** step for the Contractor Prequalification **CON-00078 Test notification emails - Prequalification - Pending** (assigned by David Bird)

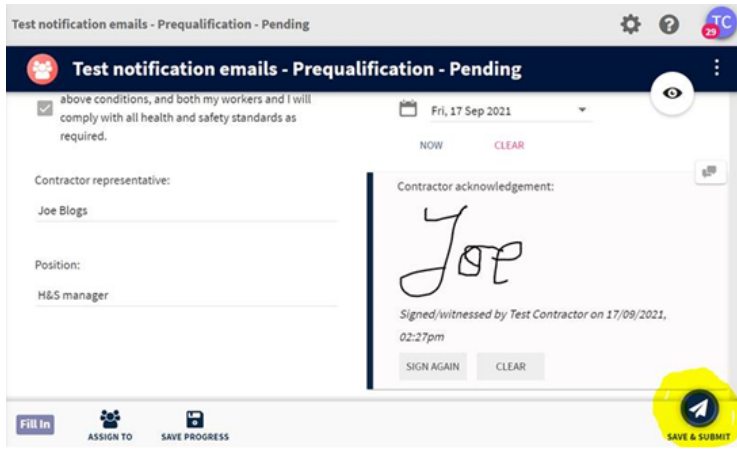

Click on the link 'Prequalification & Agreement'

2. If this is the first time logging in, please see directions in the previous section. If this is not the first time, the 'Prequalification & Agreement' link will take you directly to this form:

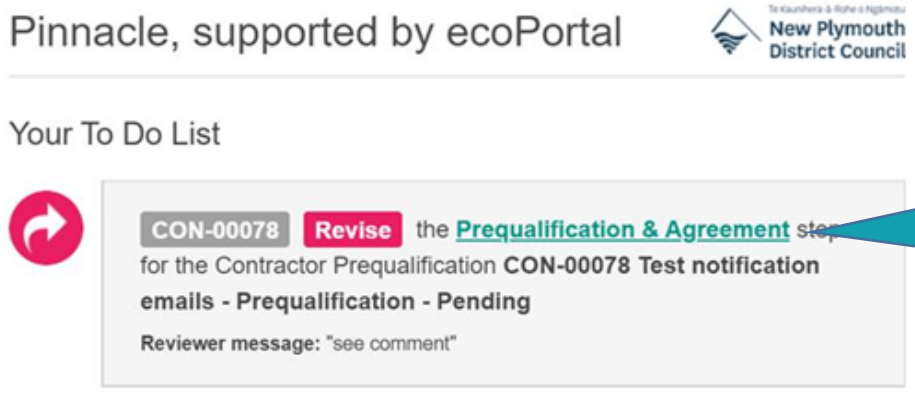

A red icon indicates the section is not complete.

3. Follow the prompts and complete the sections. Sections with a red bar indicate they're mandatory sections to complete.

Once you've completed the sections, the 'Save and Submit' icon has turned blue. You can now click this to submit the application.

4. Upon submitting, NPDC will review the information. If any further information is required, NPDC will reject the application which will send it back to the contractor to revise and resubmit with further detail or documentation. You'll receive an email that looks like this:

Click the link to login to Pinnacle to revise your application.

5. If NPDC make changes or add comments to your application you'll receive notifications, which may look like the following. Click the link to view the comment.

New Activity

David Bird updated [CON-00078 Test notification emails - Prequalification - Approved](#)

Sign-Off Decision on CON-00078 Test notification emails - Prequalification Approved has completed.

Congratulations!

CONTRACTOR REVIEW MEETINGS

1. You'll receive an email which includes a message to login to complete the Contractor Review.
Note: We recommend you use either a **Chrome** or **Edge** browser.
2. If this is the first time logging in, please see directions on page 2. If this is not the first time, the 'Contractor Feedback' link will take you directly to this form to complete.

The screenshot shows the 'test - Contractor Review Meetings' dashboard. A teal callout bubble points to the main title tile: "Click this tile to take you to the dashboard." Another callout bubble points to a red icon in the top left corner: "A red icon indicates the section is not complete." A third callout bubble points to red vertical bars on the form fields: "All red sections are mandatory fields." The dashboard includes a 'TOOL BOX' with 'Task Manager', a progress bar with steps 'Details', '2 Contractor Feedback', and 'Summary & Sign Off', and a 'Contractor Feedback' section with a 'Contractor representative:' field. At the bottom, there are buttons for 'Fill In', 'ASSIGN TO', 'SAVE PROGRESS', and 'SAVE & SUBMIT'.

3. Complete the section of the form and submit to NPDC. **Note:** You may need to share login details with the staff member who needs to complete this on your behalf.

The screenshot shows the 'Contractor's Specific Feedback' form. A teal callout bubble points to the 'Task Manager' link in the 'TOOL BOX': "Click here to view all tasks and reviews, current or previous." Another callout bubble points to the 'SAVE PROGRESS' button: "'Save Progress' allows you to save and come back to it later to complete." A third callout bubble points to the 'SAVE & SUBMIT' button: "When all sections are filled out you can 'Save and Submit'." The form includes a rating scale (EXCELLENT, GOOD, SATISFACTORY, UNSATISFACTORY, POOR, N/A) and a list of questions: "What happened the way you thought it would happen?", "What surprised you?", "What hazards did we identify and what hazards did we miss?", and "Where did you have to 'make do', improvise or adapt?". A text area for feedback is also visible.

4. Once you've submitted your feedback, NPDC and your representative will meet to review, assign any corrective actions and sign it off. You'll receive email notification to confirm that the review has been signed off.

HELP AND SUPPORT

For help on using the system or technical issues, please contact the HSE team. Contact details and references to links are found on page 1 of this document.
