TO: THE APPLICANT

The Police are just one of the agencies tasked with promoting the principals of the Sale and Supply of Alcohol Act. It is well known that alcohol is a key aggravator in crime and in particular family violence, street disorder, antisocial behaviour and the road toll. Strategies have been put in place by the Police to reduce the numbers of such incidents and crimes occurring.

Police enquiries will be made to establish whether you are a fit and proper person to be granted the licence or certificate applied for, and whether you are considered capable of exercising proper control over the premises or the sale and supply of alcohol to patrons.

The Police may object to the granting of the licence or certificate if you have previous court convictions or if enquiries reveal that you have not operated the licence or certificate in such a way so as to contribute to the reduction of alcohol abuse in accordance with the objects of the Act. Previous convictions need not stop you getting an 'On' or 'Off' Licence or a Manager's Certificate, but they may be a factor in any decision made to object to the granting of your application.

Please complete the attached questionnaire to enable the Police to prepare a report to the District Licensing Committee in accordance with the provisions of the Act. Police Officers may visit your premises or check with you on the validity of answers given in the questionnaire.

If you have any queries please contact New Plymouth Police on 06-759 5500.
