Explanations in this guide are intended to assist you to complete the application cover page form - numbers on the form relate to the explanatory notes in this guide.

How to use the application cover page form

New Plymouth District Council (NPDC) administers a number of Acts on behalf of central government. Each Act sets out specific requirements on what type of activities or projects need to be approved under that legislation.

This application form is designed to offer you an integrated way to apply for multiple approvals or NPDC services and achieve compliance for your project.

You only need to submit one application cover page form if you are applying for multiple approvals at one time.

Notes to assist completion of your application cover page form

1. Property details

1a. Site address

- Write the physical address where the project will take place.

If the building has a name, please include it in the site address. PO Box addresses are not acceptable.

Example:

- Unit 4, 3rd Floor, XYZ Building, 123 Devon Street West, New Plymouth.
- PO Box 456, New Plymouth.
- 3rd Floor, XYZ Building, 123 Devon Street.

For properties that are undergoing subdivision, use the address indicated on the Land Transfer Plan with section 223 certificate endorsed.

DISCLAIMER: BUILDING CONSENT APPLICATIONS ACCEPTED FOR LAND UNDERGOING SUBDIVISION

The owner/applicant accepts that the issue of a building consent as requested in an application does not provide any assurance or representation by NPDC that legal title to the land is now or will ever become available and the owner/applicant should take legal advice before commencing construction work.

1b. Current, lawfully established use

- Write the lawfully established use of the building.

If you do not know this, please describe to the best of your knowledge. For example: single residential dwelling, shop, takeaway bar, warehouse.

1c. Legal description

Every property has a unique legal description assigned to it. This information is given on your rates instalments invoice or record of title.

- Write the legal description of the property.

Example:

- Lot 1 DP 2345
- S PT SEC 678 DP 901

1d. Rapid Number

- If the project is in a rural area and you have purchased a rapid number, write this number in the space provided.

2. Property owner details

- Write the name and contact details for all owners. Include any company or trust name.
- If the property is owned by a company, partnership or trust, write the name of the person representing the organisation.

WATER BILLING

If you are applying for a water connection and it needs to be metered, water billing will be sent to this address.

Indications and guidelines issued by NPDC are provided with the intention of helping people to understand the legislation. They are however offered on a 'no liability' basis and in any particular case those concerned should consult their own legal adviser.

3. Payer details

- Indicate who will receive the invoice.

4. Description of project

4a. Detailed description of the development/project

- Describe the nature and scope of all parts of the project.

For example:

- New one-storey single residential dwelling.
- Three stand-alone two-storey dwellings, each with their own vehicle access and attached carport.
- Replace bath with shower.
- Install woodfire to replace existing open fireplace.
- Repile existing building and improve drainage.
- Excavating soil for a farm track within 50m of a sand dune.
- Boundary adjustment to increase the size of Lot 2 DP 3456 and decrease the size of Lot 3 DP 3456.

- New café, with the intention to use a portion of the footpath and the space above it for additional seating capacity.

4b. Will business activities take place when building is completed?

- Tick yes if the building is to be used for business activities after it is completed, e.g. operating a business from home, take-away shop, production of chemical products, factory, orchard and shop, etc.
- Tick no if the building is to be used purely for residential purposes.

5. NPDC applications for this project

- Tick to indicate all applications that the application cover page form relates to.

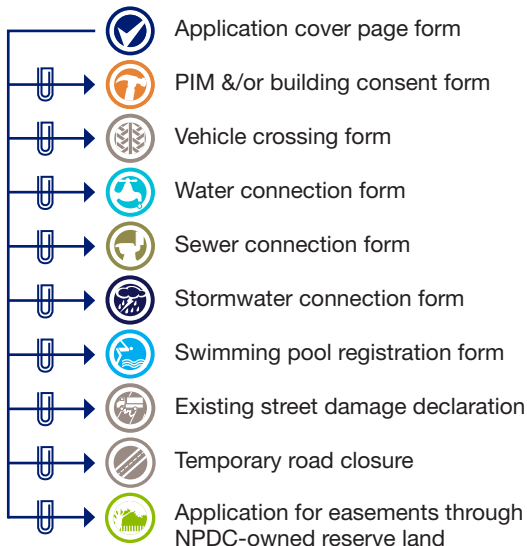

Using this form for multiple applications saves you writing the same information more than once.

- Where an application has already been lodged for this project, write the application, licence or consent number.

This will help NPDC to assist you in managing your whole project.

Examples of projects requiring multiple NPDC applications

If you are building a new house with a swimming pool in an urban area, and the site is such that you need to build over NPDC pipes, you may need to complete all of the following applications:

If you are building a garage on the boundary and installing a vehicle crossing, complete:

If you are operating a restaurant/café/bar, with tables on the footpath, complete:

If you are converting your residential garage into a hairdressing salon, complete:

Not sure what approvals you need?

Refer to the appropriate checklist for your application.
