

General information

Each application will be individually assessed on its own merits.

For devices that will be operated on Council land, applications will not be processed until approval to use Council land is achieved.

Permits for use of a device at multiple sites do not include approval to operate on Council administered land. Approval to operate on Council land must be obtained separately and before the start of operation.

PRIVACY STATEMENT:

Information on this form is to be provided under the Amusement Devices Regulations 1978 and is required to process your application. This information, including your personal information, has to be made available to the members of the public and media, including business organisations, upon request. In appropriate circumstances, it may also be made available to other units of the Council, the Council's approved contractors and other government agencies. Under the Privacy Act 2020, you have the right to access the personal information held about you by the Council and you can also request that the Council corrects any personal information it holds about you.

I confirm that I have read and understood the privacy statement above and that the information provided on the application form is true and correct. I also understand that the Council will send all invoices and refunds for fees to me (the applicant) and I will be responsible for, and indemnify the Council in respect of, the payment of all fees in connection with this application. I further understand that all correspondence related to the application will be sent to me.

Pursuant to the Amusement Devices Regulations 1978, I hereby make an application for a permit to operate a device covered in this application and certify that, having regard to the situation in which the device is erected, it can be operated without danger to persons operating or using it or in its vicinity.
